	invoice. <ul style="list-style-type: none"> <li>2 original OBL and 1 copy.</li> <li>Insurance policy.</li> <li>Proof of ownership.</li> <li>Consignee has to be present for customs inspection.</li> </ul>	meets UAE specifications.  Vehicles new or used are subject to 4% duties on CIF value.  B/L should specify engine n°, chassis n°, make, model and colour.	the Customs Authorities will issue a vehicle clearance certificate which should be submitted to the Local Traffic Authority to register the car in the name of the Owner/Consignee only.  Prior to exportation, the registration of the car should be de-registered near the local traffic authority.
Pets	<ul style="list-style-type: none"> <li>Health certificate.</li> <li>AWB.</li> </ul>	If part of a removal, duty free entry.	The health certificate is to be obtained at the originating station. This certificate should be sent to the destination agent at least two to three weeks prior to the actual sending of the pet to the UAE. The certificate is valid for only seven days. The destination agent should take the same certificate to the Ministry of Agriculture and Fisheries in UAE who will issue an Import License for the same pet and that will be sent to the origin agent to be handed over to the owner of the pet. This original Import License along with a copy of the Health Certificate should be attached to the AWB accompanying the pet.  Prior to the export of a pet, a Health Certificate should be obtained from a qualified and registered Veterinary Doctor in UAE, which needs to be presented to the airlines.
Prohibited items		Weapons, firearms (real or ornamental), ammunition, fire crackers, swords, daggers, spears, etc, military uniform or equipment, alcohol, narcotics of all kinds even poppy seeds and flowers, leaves etc, banned drugs and medicines, medicines in large quantities even obtained under prescription and for the consignee's own use, radio transmitter or communication equipment, statues and figures	If any of these items is found in the shipment during the inspection by the UAE Customs, the same will be confiscated and in some cases, explanation will be asked from the consignees and severe punishment will be imposed including fine imprisonment.

		of animals with religious undertone, carvings and statues of humans especially in nude, pornographic materials, foodstuff in large quantities, religious books other than dealing with Islamic beliefs, controversial political literature and materials contrary to an Islamic State's principles.	
Restricted items		Records, tapes, films, photographs, books, magazines, periodicals, etc.  Live plants, seeds, fresh fruits and flowers are coming under restricted items, if found objectionable, they will destroy the same and never return these to the consignee.	These items will be subject to review and censorship by the UAE Ministry of Information. These items will be released if nothing abnormal is found. This procedure will take from 10 to 15 days.
Dangerous items		Combustible liquids, corrosives, explosives, flammable, compressed gases.	Please contact your agent should you have any questions concerning these dangerous items. If any of these items were shipped, this would put you and your company liable for damages and compensation under international law, which is also applicable in UAE.
