Britannia

The nationwide network

Britannia

The right choice for you

As the UK's largest independent moving group, Britannia has helped tens of thousands of families and individuals move home throughout Great Britain for over twenty five years.

In addition to being full members of the British Association of Removers (B.A.R.), Britannia have full accreditation to quality assurance policy BS EN 12522 which demands consistently high quality service and operational standards, which are continually audited by independent quality assessors.

Such qualification and membership status gives you confidence that you are dealing with the UK's market leaders in household removals.

Britannia have over forty locations throughout the UK and will provide a highly organised domestic moving service that puts the customer first.

Britannia's network of family owned branches have the expertise and local knowledge to provide you with a stress free removal, whether moving locally or nationally.

Complete range of packaging

The right move for you

Britannia will provide the service that you require. This is determined once a pre-move survey has been carried out by one of our professionally trained move consultants. You can be confident that Britannia will provide you with a quotation offering a quality service in line with your budget and expectations.

So that Britannia's services are right for you every time, Britannia makes sure that all staff receive the highest level of removals training from our two dedicated training centres.

We offer a full packing service to make your move as 'stress-free' as possible. Our fully trained staff are expert in all aspects of packing and wrapping, from your best china to your favourite teddy.

We use clean, environmentally friendly packing materials that are designed to protect your belongings during the move to your new home. Our specialist packing materials can also be made available to you should you wish to undertake your own packing.

Vehicles to suit every move

Perfect preparation

With Britannia, you can be confident that you have chosen the best moving company for you and your family. Britannia values your home and its contents as much as you do yourself. During your move, we will take care to protect your house and its contents as if they were our own, with a wide range of specially designed protective covers.

Our friendly and courteous staff will give you all of the advice and guidance you need, from your initial call to the moment you open your new front door.

Britannia staff will do everything they possibly can to make your move a pleasure. One of our trained pre-move surveyors will arrange to visit you at home. We will create a detailed tailor made move plan, including exactly what you want moving and whether the removal crew need any special equipment or materials to move large or unusual items. We will make sure that the removal of every single item in your home is

included in the plan, even things tucked out of site in loft spaces or cupboards.

Because we've planned your move with you in such detail our team of removers will be fully briefed and will arrive at your home with everything that they need to pack and move your belongings safely and efficiently.

Safe and secure

During the process of your removal, Britannia is fully aware that storage may be a requirement for a period prior to delivery. Secure, short or long term storage can be provided by Britannia.

Britannia have over forty modern, secure storage centres throughout the United Kingdom. The warehouses are specially designed for containerised storage to minimise handling and to keep your goods clean, dry and secure.

At point of collection a detailed inventory describing content and condition of your consignment will be produced and a copy left with you. The majority of items in your home will fit in our standard units, however oversized items such as ladders, carpets and large sofas may be stored separately.

Britannia are able to collect your belongings from your home and load them into our specially designed storage containers. On arrival at our warehouse, the containers are mechanically handled into their storage space. In most cases these containers will not be opened again until they arrive at your new home.
